

RESILIENCE DAY

Saturday October 12th 10am -1pm

OSR – LOWER HALL Open from 10 am. We have received funding for the Lower Hall so it can be used as our Place of Safety. Come and see our new kitchen and emergency equipment all stored ready for use in all Emergency incidents including Power outages

FREE cake and coffee

ROAD FLOODING 12 noon Dan Parr (Principal Drains Engineer B&NES)

will share the work that's being done to mitigate the impact of road flooding. A group from across the Valley has been working with Dan to identify 'flood spots' and to establish a communication network that we can use to communicate road flooding across the Valley We'd love to hear your ideas Dan will be in the OSR from 10.30 to answer individual questions.

MILLENNIUM HALL CPR, using the defibrillator and familiarisation with the new bleed kit

10-11 Group 1 or 11-12 Group 2 max 8/session Please sign up with Alex Easton:
alex@eastonprece.net TEXT or RING 0781 0810749 to book a place or drop in on the day

PLEASE NOTE WE NEED TO KEEP THE DRAINS LEAF CLEAR – it really makes a difference

DRAIN CLEARING OF LEAVES DAYS THIS YEAR WILL BE: Sunday Oct 20th, Saturday Nov 9th, & Dec 7th

Cllr Lynne Easton

(Emergency/Flood Coordinator, Chew Magna Parish Council)
